AMERCO REPORTS FIRST QUARTER FISCAL 2014 FINANCIAL RESULTS

RENO, Nev. (August 7, 2013)--AMERCO (Nasdaq: UHAL), parent of U-Haul International, Inc., Oxford Life Insurance Company, Repwest Insurance Company and Amerco Real Estate Company, today reported net earnings available to common shareholders for its first quarter ended June 30, 2013, of \$113.0 million, or \$5.78 per share, compared with net earnings of \$80.6 million, or \$4.13 per share, for the same period last year.

"We continue to reap the rewards of the programs initiated in the past few years," stated Joe Shoen, chairman of AMERCO. "Hopefully the work being done now will produce results in future years."

Highlights of First Quarter Fiscal 2014 Results

- Self-moving equipment rental revenues increased \$54.7 million, or nearly 12% for the first quarter of fiscal 2014 compared with the first quarter of fiscal 2013. Growth in both truck and trailer transactions continued during the quarter. The increase in transactions over last year's quarter was facilitated by an increase in the amount of equipment available to rent along with incremental utilization improvements.
- Self-storage revenues increased \$7.4 million for the first quarter of fiscal 2014 compared with the first quarter of fiscal 2013. The average monthly amount of occupied square feet increased by nearly 21% during the first quarter of fiscal 2014 compared to the same period last year. The growth in revenues and square feet rented comes from a combination of improved occupancy at existing locations as well as from the addition of new facilities to the portfolio.
- For the first quarter of fiscal 2014 compared to the first quarter of fiscal 2013 gross truck and trailer capital expenditures were approximately \$213 million compared with approximately \$196 million, proceeds from sales of rental equipment were \$93 million compared with \$62 million and spending on real estate related acquisitions and projects increased approximately \$63 million to \$99 million.
- Cash and credit availability at the Moving and Storage segment was \$581.8 million at June 30, 2013 compared with \$543.6 million at March 31, 2013.
- We are holding our 2014 Virtual Analyst and Investor meeting on Thursday, August 29, 2013 at 11:00 a.m. Arizona Time (2:00 p.m. Eastern). This is an opportunity to interact directly with senior management of the Company through a live video webcast. A brief presentation by the Company will be followed by a question and answer session.
