AMERCO REPORTS FISCAL 2010 FINANCIAL RESULTS

Reno, Nev (June 9, 2010) AMERCO (Nasdaq: UHAL), parent of U-Haul International, Inc., North America's largest "do-it-yourself" moving and storage operator, today reported that net earnings available to common shareholders for the year ended March 31, 2010 were \$53.2 million, or \$2.74 per share, compared with net earnings of \$447 thousand, or \$0.02 per share for the same period last year.

For the quarter ended March 31, 2010, the Company reported a net loss to common shareholders of \$8.2 million, or \$0.43 per share, compared with a net loss of \$38.5 million, or \$1.99 per share for the same period last year.

"We experienced marked improvement in our results over the second half of this past year," stated Joe Shoen, chairman of AMERCO. "While we are pleased with the progress made during the year, there is still much work to be done. Our employees, dealers and affiliates are to be commended for their dedication and efforts toward serving U-Haul customers," concluded Shoen.

Highlights of Full-Year and Fourth-Quarter 2010 Results

- Self-moving equipment rental revenue increased \$16.1 million in the fourth quarter of fiscal 2010 compared with the fourth quarter of fiscal 2009, but finished the full year down \$3.3 million compared with the full year of fiscal 2009. The quarterly improvement comes primarily from increased transactions in both our one-way and in-town markets.
- Self-storage revenues for Moving and Storage segment increased \$0.3 million for the fourth quarter of fiscal 2010 compared with the fourth quarter of fiscal 2009 and finished the full year down \$0.2 million compared with fiscal 2009. We began to generate occupancy gains over the last half of fiscal 2010 compared with the same period last year. During fiscal 2010 we added over 580,000 of net rentable square feet to the storage portfolio.
- Operating expenses at the Moving and Storage segment decreased \$13.0 million for the fourth quarter of fiscal 2010 compared with the fourth quarter of fiscal 2009 and finished the full year down \$35.8 million. Maintenance and repair costs have been positively influenced by the retirement of older equipment from the fleet and liability costs have decreased as expected losses from prior years are developing positively.

- For the fourth quarter of fiscal 2010 net gains on the disposal of property, plant and equipment were \$0.5 million compared with losses of \$1.6 million in fiscal 2009. For the full year in fiscal 2010 these gains were \$2.0 million compared with net losses of \$16.6 million in fiscal 2009. Excluding these disposal gains and losses, total depreciation decreased \$8.5 million for the fourth quarter of 2010 and \$19.0 million for the full year.
- Gross truck and trailer capital expenditures for the fiscal 2010 were approximately \$218 million compared with \$516 million in fiscal 2009. Proceeds from the sales of rental equipment increased \$17.5 million to \$140.5 million for fiscal 2010 compared with fiscal 2009.
